Bonnie Fohrman • Vice President, Programming • bonnief@agvantage.com

Newly Released AgVantage Software:

See our Message Board for many Product Enhancements continuously available.

Accounts Payable

- Require user to rerun Vendors to Pay report after changing due dates
- Add the check reconcile date to the Check Reconciliation File
- Accounts Payable check register, separate Check/Draft/ACH totals
- Show check date on draft voucher

Accounts Receivable

- Add ability to move term on an unmerged invoice (in detail only)

eAgVantage Grain

- CDD Sort by Crop, load date, descending date (newest 1st)
- CDD Adobe PDF Link to print Grain Settlements using format from grain

eAgVantage Seed

- EXEC15 Seed Cross Reference screen needs ability to change the item description

eAgVantage

- Customer phone #'s home, cell, etc... display for Admin users in eAgVantage

Energy

- Add memo field to tank and invoicing screen

Grain

- Add digital buyer signature to pricing confirmations
- Display contract price on Target price contracts
- Settlements - Do not allow a settle date more than 7 days ahead of today's date
- Print customer number on deferred payment contracts - Overlay version
- New format for Warehouse Receipts
- Rediscount Based on Average Grades - Prompt for Posting Date

Inventory

- Alpha sort option for Inventory Summary by Item sequence
- Now uses standard cost in Blend Setup entry screen

AgVantagePC Energy

- Allow typing into delivery type field
- CDD Retain route filter on the driver's grid, thereby retaining the last route that was previously displayed

AgVantagePC Grain Scale

- If lot tracking is turned on then ignore split group

Payroll

- CDD Ability to do two checks in the same day to the same person

(continued on next page)
