	AgVantage Edge will be shown in all sessions. We will reference AgVantage Legacy as needed. Break out sessions can be set up in another room for topics not on this agenda; Grain, Feed, GL, etc. Please let us know if these are needed.  Difficulty Level and Prerequisites for these training sessions are: Beginning to Intermediate AgVantage Software User. Please fill out a <a href="#">feedback form</a> to let us know what you do and do not like about this training, so we can plan another event in the future.  <i style="color: red;">Thank you to all who attend this training conference. Your participation is what makes this a successful event for everyone!</i>  <i style="color: red;">Your AgVantage Software Team</i>
