AgVantage Edge

AgVantage Edge's Total System Integration

FEATURES & BENEFITS:

- ◆ A fully-automated General Ledger that updates as transactions occur
- ◆ Real-time financial and inventory reporting
- ◆ Accounts Payable/Receivable and Payroll to easily manage business cash flow
- ◆ Customer Investment and Patronage account tracking and reporting
- ◆ Employee time and attendance tracking for payroll accuracy
- ◆ Electronic statement and invoices with emailing capabilities

The screenshot displays the AgVantage Edge Accounts Payable software interface. The top navigation bar includes the "EDGE" logo and various system modules: AP, AR, Grain, Agronomy, Energy, Feed, Edge, Print Spool, and Sandbox. The main menu is titled "Accounts Payable Main Menu" and is organized into four columns of options:

- Daily Tasks:** Work with Invoices, Edit & Merge, Split Invoices, Change Due Date, Vendors to Pay, Print Checks, Miscellaneous Checks, Merge Misc. Checks, Create ACH File on Network Drive, Create a Batch From A/P Crossover.
- File Setup:** Vendor Master, Constants File, Bank Code File, Vendor Number Settings.
- Reports:** Open Payables, Open Payables by Month, Purchases Journal, Vendor Information, Vendor Labels, Vendor Payment.
- Invoice History:** by Vendor, by Invoice #, by Item #, by Check #, by Payee Name.

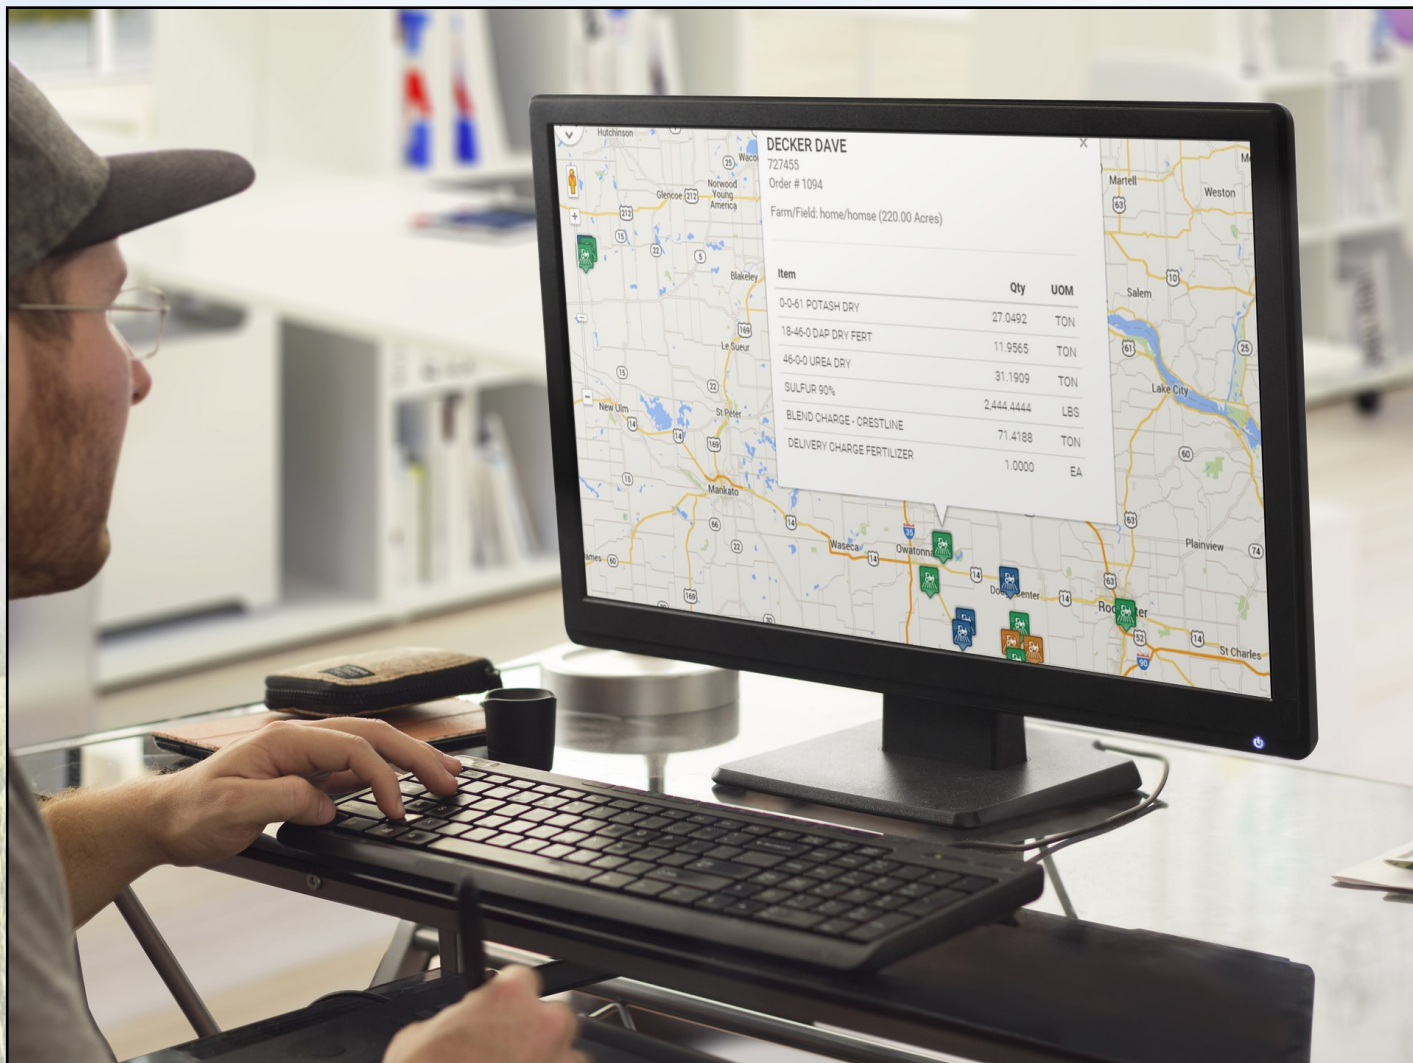

A secondary window titled "Accounts Payable Work with Invoices" is overlaid on the main interface. It features a search bar for "Batch #" and a list of fields for data entry:

- Vendor:** Vendor # (with search icon)
- Invoice Date:** MMDDYY (with calendar icon)
- Invoice Amount:** \$ 0.00
- Invoice Number:** Invoice (with search icon)
- Inventory Received Date:** MMDDYY (with calendar icon)
- Cash Discount Percent:** 0.00 %
- Location:** Loc (with search icon)
- Due Date:** MMDDYY (with calendar icon)
- Cash Discount:** \$ 0.00
- Freight / Discounts:** \$ 0.00
